

Key takeaways from the Sustainable Vegetable Oils Conference

The **Sustainable Vegetable Oils Conference**, co-organized by Competere as a side event of the **G20**, took place in Bali, Indonesia on November 3, 2022.

Three panels discussed:

- Vegetable oils in the age of uncertainty
 - Navigating vegetable oil dynamics
 - Enhancing sustainable supply chain dynamics
- 

MAIN PRODUCER COUNTRIES

Despite international conflict and geopolitical tension, the community of these vegetable oil producers stand **united** in a shared attempt to provide the world with the energy necessary to **guarantee food security** and **support economic growth**.
